About TiE San Diego

Global Network Empowering Entrepreneurs through Collaboration and Support

TiE Global is a prominent **entrepreneurial network** with over 12,000 members across 14 countries. TiE San Diego plays a vital role in empowering local entrepreneurs through mentorship, education, and networking. Together, we aim to foster a culture of innovation and entrepreneurship that drives economic growth and community impact.

Our Mission

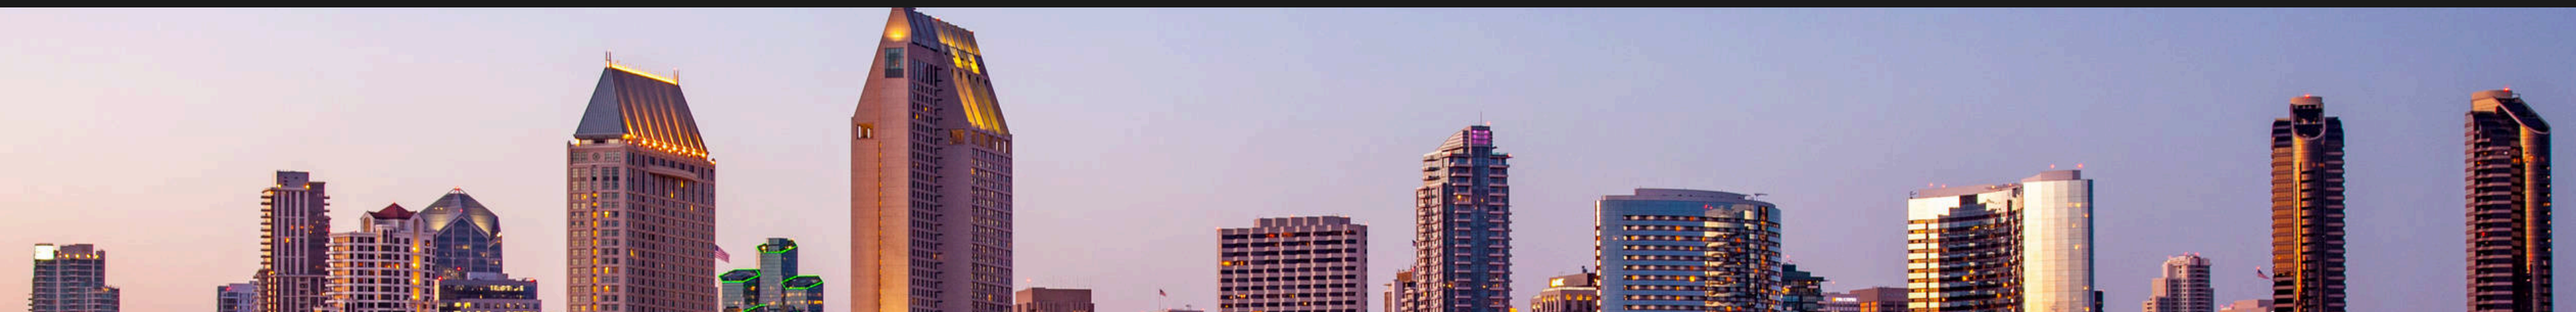

Empowering Entrepreneurs Through Community and Support

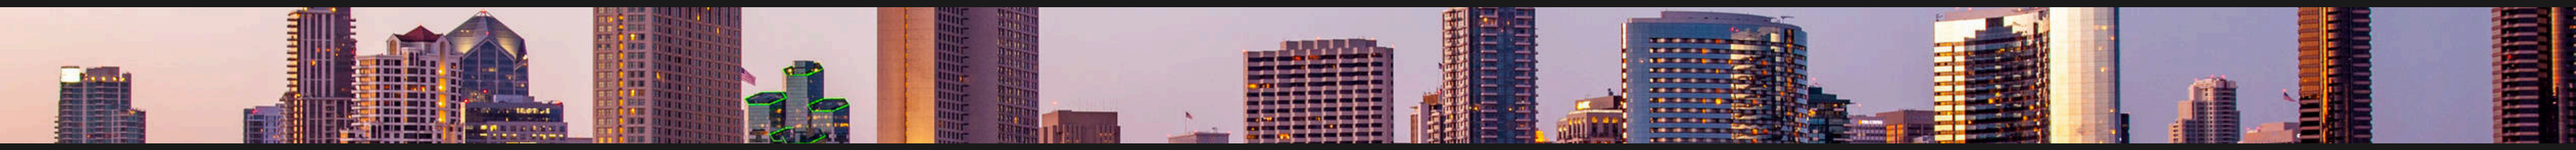

“TiE San Diego is comprised of executives dedicated to prospering while simultaneously giving back to our communities. Every month, entrepreneurs who share the same goals come together for a variety of entrepreneurial, social, and through leadership events. Through these burgeoning executive relationships, TiE San Diego has become one of the most vibrant executive networking communities in our entire economic region."
